Medtronic plc is an American medical device company. The company's operational and executive headquarters are in Minneapolis, Minnesota, and its legal headquarters are in Ireland due to its acquisition of Irish-based Covidien in 2015.[3][4] While it primarily operates in the United States,[5][6] it operates in more than 150 countries and employs over 90,000 people.[7] It develops and manufactures healthcare technologies and therapies.

and Respiratory, Gastrointestinal, and Renal divisions. The Restorative Therapies Group contains Spine, Brain, Specialty Therapies, and Pain Therapies divisions. The Diabetes Group segment focuses in the development, manufacturing, and marketing of products and services for the management of Type I and Type II diabetes. The company was founded in 1949 and is headquartered in Dublin, Ireland.

2. Create a New Facebook Business Page and post one social media poster for your brand.
